

2017 FEE SCHEDULE

Study Application and Development Costs

Estimated costs (dependent on specifics of project) \$1,500 - 3,150.00

Study Roll-out and Recruitment Costs

Initial approach estimated cost

Mailed approach

Set-up & management fee (charged per mail-out) \$945.00

Processing fee for a standard approach pack (per individual or junior pair*) \$13.00

Note: Inclusion of additional material in the approach pack \$2-\$3 per pack

Email approach

Set-up & management fee (charged per batch) \$787.00

Processing fee (per individual or junior pair*) \$4.70[†]

Follow-up/Reminder estimated costs (*per adult individual or junior twin pair):

[follow-up/reminder costs are in addition to the above costs]

Set-up fee (charge per reminder batch) \$157.00

Email \$1.60

Mail \$6.30

Phone \$21.00

Additional miscellaneous recruitment

In instances where a study has ceased the mass recruitment phase but is still able to recruit miscellaneous twins into the project the following TRA fees apply:

Administration Fee (per mail-out batch) \$105.00

Processing fee; mailed approach (per individual or junior pair*) \$13.00

Processing fee; email approach (per individual or junior pair*) \$4.70

Important

- The above estimates are averages only; please contact TRA to obtain an accurate cost estimate for your study
- A minimum charge of \$5000 applies per study utilising TRA
- Costs are associated with the number of twin individuals approached, not number recruited to participate
- Above examples are valid for the year 2016 only; please contact TRA for future fee schedules

* Adult pairs require one letter per twin; junior pairs usually require one letter per family

[†] Negotiable for large studies
